

2019 SCALE-A-THON FUNDRAISER

Dear HRYO students and families,

The HRYO will be holding their first fundraiser to benefit the new organization. The fundraiser is fun and simple and I hope that everyone will participate! The funds raised this year will help keep costs and tuition at a minimum, as well as provide scholarships for students.

SCALE-A-THON

Each student must get the permission of their parents to participate by signing the Scale-A-Thon sponsor sheet.

The student should also ask for their private teachers help.

Then, musicians may start practicing their scales!

We have provided a list of the 12 major and 12 harmonic minor scales plus a chromatic scale. *Musicians can easily find these scales in their own scale books. I will also provide scale sheets for everyone.* Each musician should play each scale in the number of octaves appropriate for their instrument and level. Musicians obtain pledges from relatives, neighbors and friends. Sponsors either pledge money per scale learned or make a flat donation. Of course, musicians should estimate how many scales they intend to learn so that sponsors can give accordingly. Money must be collected prior to the end of the Musical Scale-A-Thon, and turned in on Sunday, March 17th, 2019. All checks should be made out to The Music Loft.

MOST SCALES LEARNED 1ST PRIZE

The student who learns and correctly plays the most scales will receive a \$50 Amazon gift card.

GRAND PRIZE

All students will be entered to win the grand prize which is \$100 Amazon gift card.
